Weekly Sprint Report 2

Q1. Sprint Report - Instructions

Write a summary of what your team accomplished this sprint. You'll need to:
- Ask your teammates to share what they completed, with links to the artifacts.
- Ask your teammates to share any blockers or challenges they faced or are facing.

The sprint report is a group submission, but one member of your team will write it each week.

Q2. What did your team accomplish this week?

Write a one-sentence summary of each task completed. Included a link to the artifact for each task that was completed.

You can link to a github commit, a figma file, a google doc, a youtube video, or the most relevant url for the task.

Q3. What challenges did your team face?

What challenges did your team face? What are you or your teammates blocked on?

Q4. What is your plan for next week?

What tasks will your team complete? What features will your team build?

Q5. Any other notes or feedback?
